Final Note by the Second Member of Council.

Subject:—

Question of granting a house rent allowance of Rs.5/- per mensem to each of the third clerk and the mining attendant of the office of the Chief Inspector of Mines, Kolar Gold Fields.

There were formerly a Head clerk, a second clerk and a mining attendant in the office of the Chief Inspector of Mines, Kolar Gold Fields.

2. For the two clerks, quarters were provided by Government (vide order dated 7th September 1903). The mining attendant was living from September 1903 or thereabouts in a portion of the out-houses attached to the office of the Chief Inspector of Mines. He vacated it as he had to make room for the two additional peons sanctioned for the office.

Paper under disposal No II.

3. The post of third clerk was sanctioned in 1916 and the present incumbent entered upon the duties of his office on 17th February 1917.

—do—

4. The Officiating Director Department of Geology, and the Chief Inspector of Mines in Mysore, state that as it is difficult to find accommodation on the Kolar Gold Fields and as the rent is high, the concession shown to the Head clerk and the second clerk may be extended to the third clerk and the mining attendant also and that, till quarters are provided free, each of them may be granted an allowance or house rent of Rs.5/- per mensem.

Paper under disposal No I

5. The mining attendant had free quarters from 1903 till recently. If that concession is not continued to him, he will be deprived of a privilege which he was enjoying for many years.

6. When the papers came up before me on 16th September 1917, I recorded the following minute:-

Para 29 of the rules.

"There is no precedent required in such a case. "The third clerk and mining attendant should be "given the allowance as it is impossible to get "accommodation in the area. Their case is new."

Para 45.

7. The question was subsequently considered in Council and they are of opinion that the house rent allowances recommended by the Officiating Director may be sanctioned. The Financial Secretary has acquiesced in this view.

Sanctions a house rent allowance of Rs. 57 per to each of the 3rd clerk and mining attendant of the office of the Chief Inspector of mines

GEN. & REV. SECRETARIAT V GENERAL 27 JUN. 1918

NOTE—Contn. sheet.

Letter No.1221, dated 2nd May 1917, from the Chief Inspector of Mines, Kolar Gold Field, to the Director (in charge) Department of Mines & Geology, Bangalore.

With reference to the statement of the revised scale of the establishment for this office, appended to Government Order No.12888-89/Geol.6-15-8, dated 15th March 1916, sanctioning an additional clerk on a salary of Rs.20-2-30 per mensem with effect from 15th March 1916, I have the honour to state that the Head Clerk and Clerk have been provided with Government quarters and that the Additional Clerk and the Mining Attendant attached to this office have not been so provided. It is difficult to secure accommodation for themselves on the Field except at a relatively high cost, and the two persons concerned are unable to meet this expenditure out of their small pay owing to the fact and the dearness of living on the Kolar Gold Field.

2. Until such time as they are provided with Government quarters, I propose that, in view of the difficulties referred to above, each of them may be given a house rent of Rs.5/- per mensem, and to request that you will be so good as to submit and recommend the same to Government for sanction.

(1) K.T. Gopalakrishna Iyengar, 3rd Clerk, appointed from 15th March 1916 but actually joined the appointment on 17th February 1917 - his services having been temporarily lent to Mysore Arsikere Railway construction Department up to 16th February 1917.
